Welcome to the 5th Annual

ARTS IN MOTION

Winterguard/Indoor Percussion Competition

Sponsored by the Harrison High School Band Boosters!

We are pleased to welcome you to our school as we host our 2012 SAPA Color Guard and Percussion Competition. This packet will provide information about our event including check in and prop information, directions, parking, concessions, etc. Should you have any questions not addressed in this packet, please contact Cindy Johnson at 678-680-3446 or email artsinmotion2012@gmail.com

Event Sponsor: Harrison High Band Boosters
 Contest Manager: Cindy Johnson
 Event Hot Line: 678-680-3446

Practice Sites

Practice space will be available on a first come, first serve basis at \$20 per ½ hour. Practice locations will be available at another area school no further than 5 miles from Harrison. Please contact Teresa Bowles at bowlesfamily1@comcast.net to schedule time. All checks must be made payable to HHBB. A practice contract is enclosed.

Parking

Entrances at the school will be clearly marked for both competing units and spectators. Parking attendants can help direct you if you have any questions regarding parking. Any unit with a large truck or tractor trailer will need to enter at the school at the bus port entrance. This too will be clearly marked and will have an attendant available.

Unit Check-in

Groups with passenger vehicles or small trailers will enter the school's main entrance and follow the signs to Unit & Equipment check-in. Units are required to report the number of competing members and penalties will be assessed for false declarations. Arm bands will be provided for competing members plus seven. **Only persons with unit arm bands will be allowed in the equipment/unit hallways.** Additional arm bands may be purchased for \$8 ea at unit check-in. Units must check-in one hour prior to performance time. Competing members and crew must check-in together. Spiel sheets should have been completed on line prior to the contest.

Retreat Line Up

The small gym next to the performance gym (mat refolding area) will be where the CO's will line up for Retreat. All retreats are CO's only.

Spectator Admission/Entrance

Spectator admission will be \$8 per SAPA guidelines. A separate spectator entrance will be clearly marked.

Footwear

To ensure the safety of each performer, all units must wear shoes when not performing.

Performance Music

Please provide your unit's performance music to the sound coordinator immediately following unit check-in. Formats accepted are CD or MP3. Sound testing and volume control will be managed by SAPA. If you have an iPhone or iPod Touch, please be sure to have another way to play your music at shows (another iPod, mp3 player, or cd). Even in airplane mode, incoming calls can interfere with the sound quality, and WiFi access can do the same for the iPod Touch.

Prop and Floor Storage

Props and floors may be stored in the equipment storage area on the unit/equipment entrance hallway. Due to limited space, units are asked not bring your equipment any sooner than 1 hour before your performance. You may return your props, floors and equipment to the storage area for up to, but no more than 1 hour after your performance. **DUE TO THE LARGE VOLUME OF UNIT PARTICIPATION THIS YEAR, WE ASK THAT AFTER YOUR RETREAT, YOUR HALLWAY STORAGE AREA BE CLEARED TO WELCOME THE NEXT GROUP OF UNITS!** Thank you.

Dressing Facilities

Both boys' and girls' dressing rooms are available onsite. Personal belongings will be stored in school hallways, again please clear the hallways of personal belongings immediately after retreat. These hallways will only be used to store personal belongings for competing units. The hallways will be monitored by an attendant but security of belongings cannot be guaranteed. Please keep all valuables secured. You are welcome to stretch in the hallways, however, please be mindful of loud music.

Equipment Inspection

All equipment tips on rifles, flags and sabers must be padded and taped. Props must also be protected so as not to damage the floor. Equipment inspection will occur prior to entering body warm up.

Warm Up Areas

Body warm up and equipment warm up will be in separate areas. You may elect to spin in body warm up, but no tossing. You may toss in Equipment Warm Up, however, please be mindful of the ceiling projector. Units may not enter warm up areas until SAPA published timelines.

Floor Crew

Please let unit check in know if you will need floor crew assistance. We have a dedicated group of students that are assigned the specific task of assisting with floors and or props.

Unit Guides

Upon check in, every unit will be assigned a volunteer Unit Guide. While we respect that you may have done this for years and do not feel you need the services of a guide, to ensure the safety of the units and their timing of movement throughout the school, please understand every Unit must have a guide. Your Unit Guide will meet you in your designated personal belonging storage area 20 minutes prior to the scheduled body warm up. You will be escorted to body warm up at the appropriate time. The Unit Guide will stay with you through your performance. A volunteer guide will escort you from mat refolding back to the personal belonging storage area. Timing for each area is determined by the published SAPA schedule.

PERCUSSION: Weather permitting, you may unload and begin warm up in the parking lot, however it is critical for the timeliness of the event that you notify the check in desk of your location. You may warm up in the front of the school or to the left of the school in the band parking lot. Your guide will meet you 20 minutes prior to your scheduled warm up time and escort you to the official warm up area.

Competition Floor Size

The maximum allowable floor size for any unit is 55' X 90'.

Timeline

Our timeline will be horizontal. From the judges' perspective, units will enter from the left rear of the gym and exit on the left front. The floor will be pulled from the rear sideline to the front. Upon entry, you may pull the floor to the halfway point, and then await notification from the timing judge to proceed.

Video Taping

Due to copyright restrictions, **NO ONE, NOT EVEN THE CONTEST SPONSOR, IS TO VIDEO TAPE** any part of the contest, **EXCEPT** a unit videotaping **THEIR OWN** performance. You will be provided **ONE** video pass at check-in. There can be **NO SELLING** of contest videos.

Judges' Tapes, Score Sheets and Recaps

All units may pickup judges' tapes, score sheets and recaps at the table adjacent to the sound/announcers' table shortly after your unit's performance.

Awards

All units will receive certificates for participation as provided by SAPA. The top three (3) scoring units in each SAPA judged class will receive awards.

Critique

The SAPA Contest Director will determine the details of unit critique. This will take place in the Critique room just off Hallway E. Signs will mark the location.

Floor Damage

In order to protect SAPA and the Contest Sponsor, please utilize the Floor Damage Report included in this packet. The form is to be used by the Timing & Penalty Judge as well as the Contest Director to inform a Unit Manager of the damage caused to the floor. The original form should be given to the Unit Manager and two extra copies made, one for the Contest Director and one sent to the SAPA office.

First Aid

A First Aid station will be located in Hallway F adjacent to the performance gym. The area will be clearly marked with signs. If your unit is not in body or equipment warm up, you may access first aid through the E Hallway. Directional signs will also be located in the unit/equipment entrance hallway.

Hospitality

A hospitality suite will be provided for the Judges and the Directors. The food will be centrally located. The Judges' Hospitality Room and Tabulation area will be located in the lounge adjacent to the equipment storage area, a short walk from the suite. The Directors' Hospitality Room will be located in Hallway E, adjacent to the suite. Signs for each area will be located in the unit/equipment entrance hallway to direct you to the proper area

Hotels

A list of hotels in the area is enclosed.

Area Restaurants

A list of restaurants in the area is enclosed.

Concessions

Concessions will be provided onsite and will include Chick Fil-A, BBQ Sandwiches, Grilled Cheese, Baked Potatoes, Chili, Nacho's and Hot Dogs. Other menu items include chips, candy, popcorn and fruit. We will also have soda, tea, PowerAde, water, coffee and hot chocolate. Prices will range from \$5 to 50¢.
