2016 Successes

Focus	Summary
Education Events	This has been an ongoing focus since 2013. This year SAPA hosted an Education Day focusing on understanding the sheets for Colorguard, Percussion and Winds. Colorguard offered two additional premier shows (1 was canceled due to weather) with a rotating Overview Panel. This has received great feedback the last 2 years it was offered. In addition, several shows had a single Overview person to provide feedback across the sheets to units.
Reclassification	A record number of colorguard units were promoted throughout the season. The growth in membership as well as growth in competitive success is a huge compliment to you all!
Judges	<ul style="list-style-type: none">• 35 different Judges; 14 of those were WGI Judges and 7 more who are actively designing• 12 judges judged more than 1 time• 6 out of the 8 shows had 2 or more WGI Judges• 5 of the 8 shows had 3 or more WGI and Designer Judges
